

Want to Donate or Help Silent Auction?

Sign up below to offer donations for our **Founder's Day Silent Auction** to be held during the Founder's Day Celebration, **12:00-3:00pm** on **June 10, 2018** at the Albany Senior Center. Funds raised from the Auction will benefit Oregon Area 58 programs where it's needed most to carry the message to those who suffer from our common disease. Please provide a description of the gift and approximate value below. You will be responsible for getting the gift to the venue prior to the start of the event. We also need LOTS of volunteers to help make the event happen. If you'd like to get involved, let us know. We'll find a job for you (Potluck organization, setup & clean up, decorations, silent auction).
