

2020 September & November Assembly Announcement

Dear Oregon Area

Thursday July 16, 2020

I hope this email finds you safe and well.

This message is to announce that our September 2020 and November 2020 assemblies will be virtual instead of in person. Unfortunately, it just isn't possible at this point in time to know where our state will be in September or even November, regarding Covid-19 limitations on public gatherings.

District 22 (September 2020 Assembly) and District 16 (November 2020 Assembly) took a step back to look at all the needs to be able to support having a successful in-person assembly. Because of where we are at now with the Covid-19, there is no way this could happen. I want to personally thank Districts 22 and 16 for all the hard work you have done, and we know this decision did not come lightly.

While the September and November assemblies will not be held in person, Oregon Area will be conducting business as usual. As stated in the Area Guidelines the General Service Assembly (September) and the Quarterly Assembly shall be held on the 3rd full weekend.

- September 18-20, 2020
- November 20-22, 2020

Please mark your calendars.

Motions:

1. Please submit any motions to Area Chair @ chair-@aa.oregon.org.
2. Review the [OA Guidelines 2019-2021 - REVISED 07152020 \(4\).docx](#) on page 13 before submitting a motion.
3. Use the Oregon Area Motion Template when submitting a motion: [Motion Template - Oregon Area.docx](#)

The Ad Hoc committee that was formed to provide the Area assembly in June, has already begun to meet and prepare for the September assembly. I want to thank those that participated in the Survey that was sent out immediately following the June assembly.

Take care of one another and yourselves.

I am grateful that we have the technology to be able to meet and have our AA meeting and conduct business as usual.

Your patience, support and understanding on this is greatly appreciated.
