

A.A. DISTRICT 21

The District Committee meets 7-8:30 PM at the Hill Street Church at 1805 SE Hill St in Albany on every 3rd Tuesday of each month, except December, when we meet on the 2nd Tuesday

“What is District? What do they do? How do they do it?”

The District Steering Committee serves as a two-way information conduit between the AA groups in our district and the various levels of the AA General Service pyramid: Oregon Area, the General Service Conference, and the AA Board of Trustees.

We do this through your group's General Service Representatives (GSRs). The District also helps to carry our message to the community outside of AA and to foster unity and community within AA through the work of our service committees.

These service committees are composed of elected Committee Chairs, who handle the administrative details of the committee, and volunteers from the AA community.

The decisions on how our District is organized are made at the District business meetings.

We need your group's GSRs to be present at those meetings so that the District can properly represent our membership.

We need you, our community, to volunteer for service to carry our message and foster unity.

“Does your group have a GSR (General Service Representative)?”

GSR School will be offered 4 times in 2024!

Open to all GSRs, Alt. GSRs, those interested in becoming a GSR or anyone curious about what a GSR is and what they do!
