****Potluck, please bring food, beverage or dessert to share****

This workshop is for all new GSRs, current GSRs, alternate GSRs, potential GSRs & alternate GSRs and anyone interested in learning more about what GSRs do and the AA service structure.

We will be handing out packets that every GSR needs so if you haven't received a packet since becoming a GSR you'll want to come get one!

There will be 1 more GSR School in 2024:
October 5th on Zoom only

You only need to attend one GSR school to learn everything you need to know!
